

Attachment D: Letter of Commitment

**Rogue Basin Collaborative Forest Landscape Restoration Project**

**Collaborative Forest Landscape Restoration Program**

**Letter of Commitment: February 10, 2011**

The Rogue Basin Collaborative Forest Restoration Project is pleased to present this letter to the Collaborative Forest Landscape Restoration Program to confirm our organizational commitment to developing, supporting and implementing our collaboratively developed CFLRP proposal. The Rogue Basin Collaborative includes the Applegate Partnership & Watershed Council, Josephine County & Jackson County Integrated Fire Plans, Josephine County Stewardship Group, Klamath Siskiyou Wildlands Center, Siskiyou Project, Southern Oregon Small Diameter Collaborative, Southern Oregon Timber Industries Association, The Nature Conservancy, and the USFS Rogue River-Siskiyou National Forest.

Our combined capacities and skills provide a strong and experienced foundation to base our mutual commitment and intention to continue support for the collaborative development, implementation and monitoring of ecologically based forest and watershed restoration projects within the landscape represented in the Rogue Basin Collaborative Forest Restoration Project CFLRP Proposal.

Thank you for your time and consideration.

Sincerely,

Jack Shipley, Applegate Partnership & Watershed Council  
Jim Wolf, Josephine County & Jackson County Integrated Fire Plans
