

Volunteers at Work on the Soda Springs Ranger District

On June 24 and 25, 2011, members of the Pocatello Trail Machine Association volunteered to assist the Soda Springs District in identifying and signing the legal ATV trails in the Trail Canyon area.

The Soda District has been awarded some grant money from Idaho Dept. of Parks & Recreation for work on this motorized system. Many miles of trail were ridden and evaluated.

Student Driver

Paul Palmer, Trails Coordinator Pocatello Trail Machine Association (long time trails advocate)

Ready to Ride!!

Coral,
Dirt Bike Rider

Clark Collins

Clark Collins, President - Idaho State
ATV Association.
(Recently inducted into the American
Motorcycle Hall of Fame)
