Taylor , AZ 85939

Dear Mark:

On June 1, 2011, you met with Kendell to discuss your 2011 Annual Operating Instructions (AOI) for the Pierce Wash Allotment. The pasture rotation and numbers, as discussed are as follows:

<u>Pasture</u>	<u>Head</u>	<u>Dates</u>
South Pasture	85 c/c	June 15 to August 16
North Pasture	85 c/c	August 17 to October 16

The pasture rotation, season of use, and numbers may vary depending on several factors, including weather and forage conditions. The desired use level is 25% on key species in key areas, and we would like you to monitor utilization levels after livestock leave the pasture. This letter will serve as your 2011 AOI. If you have any questions, please contact Kendell, John, or Andy.

Sincerely,

*/s/ Dee Hines*
