Sensitive Species Recommendation (Please check 1 box below)						
	<input type="checkbox"/> R2 Sensitive Species (SS)	<input checked="" type="checkbox"/>	Not R2 SS, but should be considered for other Emphasis Species Lists			
	<input type="checkbox"/> Not R2 SS and Not of Concern Now		<input type="checkbox"/> Insufficient Information Available to make a recommendation			
Recommendation Rationale						
<p>Occurs from Alaska to Newfoundland and south. Occurrences in Region 2 are at the southern limit of its distribution. More survey information would be beneficial before determining sensitive status. Perhaps leave as an emphasis species.</p>						

Name/Title	Houston/Sidle	Date	10/03/2002
