FOR IMMEDIATE RELEASE

STATE ROUTE 32 IN TEHAMA COUNTY WILL BE CLOSED FOR REHABILITATION

REDDING – The California Department of Transportation (Caltrans) District 2 will close State Route 32 in Tehama County from the Elam Creek Campground to Potato Patch Campground, Monday through Thursday from 6 a.m. to 8 p.m. the weeks of September 12, 2011 and September 19, 2011. The closure is necessary to ensure the safety of workers and the traveling public.

This is a COMPLETE closure of the highway and through traffic will not be allowed during the hours noted. In the event of an emergency, service vehicles will be allowed through the closure with the assistance of the contractor and Caltrans staff.

Access to nearby campgrounds will still be available. The Potato Patch Campground will be accessible from Chico and the Elam Creek Campground will be accessible from SR 36 East.

The \$3.3 million project, being constructed by Dig It Construction INC of Chester, CA, will rehabilitate the roadway by removing the existing damaged pavement and placing an overlay on the surface. In addition to the work on SR 32 in Tehama County, the contract also includes construction on routes SR 70 in Plumas County and US 395 in Lassen County. These locations will not require full closures.

For more information please contact the Public Information Office at 530-225-3260.
