Dear Prospective Purchasers of National Forest
Timber:

The attached Timber Sale Program Announcement for FY12 represents the various tracts of timber planned to be offered for sale on the Chequamegon-Nicolet National Forest for the period beginning October 1, 2011 and ending September 30, 2012. This planned sale program for FY12 will include a mix of species/products.

At present, we have not established the small business set-aside sales. You will be notified once they are established.

Sales with a decision date and no "Remarks" shown in the area above the volume information are covered under an approved environmental document and the decision to offer the sale has been made. The remaining sales are tentative, and offering of them will depend on the results of an environmental analysis yet to be completed or they are pending the outcome of appeals or litigation (see the "Remarks" on these sales).

We are asking that you select the sales of interest to you for FY12. These are the sales on the Sale Summary List with the blank space to the left of the sale name. Please sign the Sale Summary List form and return it in the enclosed self-addressed envelope.

More detailed information concerning each tract can be obtained at the time of advertisement from this office or from the districts involved. The district information is as follows:
