Alpine Ranger District Christmas Tree Cutting Instructions

- ^ Some areas of the District are restricted to motor vehicle travel. (SEE MAP)
- ^ Travel allowed only on Roads Marked with a White Arrow.
- ^ Allowable Tree Height - 10 feet or less.
- ^ Allowable Tree Diameter - 5 inches or less. Diameter is measured at 4 1/2 feet from the ground.
- ^ Please cut 400 feet or farther from main roads.
- ^ Winter storms may make roads hazardous! Check local weather conditions BEFORE going out to higher elevations.
- ^ Let someone know where you are going and when you will return.
- ^ Forest Roads are NOT PLOWED. The roads may be snow packed, dangerous, or inaccessible.
