

## DOCUMENT ORGANIZATION

Chapter 1 describes the “purpose and need” for action, identifies the project area, summarizes the proposed action, lists public issues surrounding the proposed action and discusses other considerations.

Chapter 2 presents and compares the alternatives, including the no-action alternative, and mitigation and monitoring measures.

Chapter 3 describes the environment that could be affected by each alternative and the direct, indirect, and cumulative effects likely to occur with implementation.

Chapter 4 lists preparers, summarizes the public involvement, and identifies DEIS/FEIS recipients.

Chapter 5 responds to the public comments that were received during the 45-day comment period on the Draft EIS.

The Reference section lists the literature cited in the FEIS.

The Glossary defines terms used in the FEIS.

The Acronyms section defines acronyms and abbreviations used in the FEIS.

The Index provides page number references for key topics discussed in the FEIS.

Appendix AA contains letters from government agencies. Appendix BB contains monitoring, contingency, and reintroduction prevention plans-Alternatives 2, 3, & 5. Appendix CC contains the Alternative 4 contingency plan.
