

Allegheny National Forest: Savanna and Young Forested Stands: Summer 2011

The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. The Forest Service will not be liable for any activity involving this information. For more information, contact the Forest GIS Coordinator @ (814) 723-5150.

CHECK YOUR MOTOR VEHICLE USE MAP!

The Motor Vehicle Use Map (MVUM) is a companion map to the one you are holding. It identifies the roads, trails and areas where motor vehicles are allowed. In general, motorized travel off of designated roads and trails is prohibited. See MVUM for exceptions.
