Klamath National Forest Selling Vehicles and Miscellaneous Equipment by Internet Auction

Yreka, CA -- The Klamath National Forest will be selling surplus federal vehicles and equipment by public **Internet auction** starting November 28, and closing December 5th. Nineteen items, including trucks, SUVs, chippers and a horse trailer will be available to the highest Internet bidder.

The vehicles and equipment will be available for viewing via the GSA website www.gsaauctions.gov beginning Monday, November 28th. Interested bidders should type in the sale number 91QSCI12116 in the "Enter Search Text" box. Only Klamath National Forest items will be displayed. Each item will have an assigned number, description, photos(s), and a contact name and number if further inquiry is needed.

Bidding will continue until each item's posted deadline on December 5th.

Bidders must register on the GSA website and view the Terms and Conditions (in the blue tool bar at the top of the page) for information regarding registering, bidding, payment, and removal of successful bid items.

The vehicles and equipment are available for public viewing Monday through Friday, 9 a.m. to 3 p.m. daily throughout the auction. Please call Kari Solus (530) 841-4651 first to coordinate a viewing time.

The location for the Klamath National Forest Internet Auction vehicle/equipment items is:

Klamath National Forest Service Center

1030 South Main Street

Yreka, CA 96097
