Scan the QR code.
Effective 12:01 a.m. Friday, June 26, open fires, including wood stoves and charcoal briquette fires, will be prohibited.

Campfires are prohibited in the OHV Staging Areas and dispersed campsites within the Deschutes National Forest.

Generators are allowed when fully contained in the bed of a pickup truck or in an area that has been cleared, at least 10 feet in diameter, of all flammable material.

No smoking except within an enclosed vehicle or building, developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material.

Chainsaw Use Restrictions on Deschutes National Forest Starting Friday 6/26/2020

Check IFPL III
Public use restrictions protect the land, resources, and visitors. Every year lightning-caused fires place a heavy demand on our firefighting resources and puts our forests, firefighters, and communities at risk. Fires caused through carelessness or negligence create unnecessary risk. This year every preventable fire also could increase our firefighter’s exposure to the COVID-19 virus, which could impact our firefighting resources unnecessarily.

Officials also want to remind the public that using explosive target material, such as Tannerite, explosives, and fireworks is prohibited on all federal lands.

For current wildland fire information, the public can visit centraloregonfire.org or follow fire information on Twitter @CentralORfire. Also check out: InciWeb

Where To Ride Your Side by Side

Motor Vehicle Use Maps

Motor Vehicle Use Maps will provide you with thousands of miles of Forest Service roads that are open to all motorized vehicles. See Page 5

Maps are available free at Forest Service offices throughout the nation for the areas they serve.

A tablet is a great Navigation tool.

Using a Tablet to Navigate

Do you need help setting up a tablet with maps to use while you are out on the trails? Contact the groups on Facebook listed below.

A Tablet or Smart Phone with the Avenza PDF Maps App and the MVUM’s downloaded onto it is a very useful and valuable tool.

More folks are using a tablet to navigate, (See picture, center). This makes navigating a breeze. With the built in GPS you will know your location at all times and the routes that are open for OHV use. You can mark and comment on special interest waypoints. With the built in camera you can also reference pictures to the waypoints you create.

Instruction: For use in mobile devices with the Avenza PDF Maps App  Avenza Help Android & iOS

If you have access to an Android or Apple mobile device you can take the COHVOPS OHV Trail Maps and the Deschutes Motor Vehicle Use Maps with you using the Avenza PDF maps App.

Here’s how:

- Install and open the Avenza PDF Maps app. Tap on the Plus Sign (+), bottom right. Tap on “Download or import a map”.
- Tap on QR Code Reader (upper right), and scan the QR code for the map/maps that you want.
- You will be taken directly to the Avenza Map Store. It is necessary to have an internet connection to download maps.
- Tap on ‘Get This Map’. Next Page: tap on ‘Free’. It will take a short time to process the file to make it useable in the app.
- If you are located on the map you will need to tap on the GPS button. to find your location. Make sure you have turned on ‘Location’ on your phone or device.
- Note: If you are using a device with cell service. Put it in ‘Airplane Mode’ or turn off ‘Mobile Networks’ while you are in the field using the Avenza Map App. This will improve your GPS reception and lengthen battery life time.
These maps are a valuable resource for those of you that would like to go out and explore the National Forests. The maps will show you all of the roads that are open for travel by Class I, II, III, and Class IV licensed and unlicensed vehicles.

Maps are available at your local Forest Service Office. If you are in the Bend, OR area stop by the office at 63095 NE Deschutes Market Road and talk to the folks at the front desk to receive your set of maps for the Deschutes and Ochoco National Forests. They are free. The folks at the front desk will be happy to explain the details of the maps to you.

All seasons can provide a variety of enjoyable and fun experiences in your National Forests. Be sure you have all of the necessary items you will need should you decide to spend a long day exploring. It is always wise to plan ahead for emergencies. Carry a cell phone, a GPS if you have one, extra food and water, and let someone know when you expect to be back. Have Fun!
Motor Vehicle Use Maps

Instructions

For use in mobile devices with the

Avenza PDF Maps App

If you have access to an Android or Apple mobile device you can take some of the COHVOPS OHV Trail Maps and the Deschutes Motor Vehicle Use Maps with you using the Avenza PDF maps App. iPhone users: You may need to open "My Maps" in the Avenza App, tap on the "Plus" sign and use the QR code reader available on the App.

Here’s how:

- Install the Avenza PDF Maps app.
- The Avenza App has a QR Code Reader on the app.
- Open the QR code reader on Avenza app and scan a QR code from the COHVOPS newsletter. This will take you directly to the Avenza Map Store.
- Tap on ‘Get This Map’. Next Page: tap on ‘Free’. It will take a short time to process the file to make it useable in the app.
- If you are located on the map you will need to tap on the GPS button to find your location. Make sure you have turned on ‘Location’ on your phone or device.
