Public use restrictions protect the land, resources, and visitors. Every year lightning-caused fires place a heavy demand on our firefighting resources and puts our forests, firefighters, and communities at risk. Fires caused through carelessness or negligence create unnecessary risk. This year every preventable fire also could increase our firefighter’s exposure to the COVID-19 virus, which could impact our firefighting resources unnecessarily.

Officials also want to remind the public that using explosive target material, such as Tannerite, explosives, and fireworks is prohibited on all federal lands.

For current wildland fire information, the public can visit centraloregonfire.org or follow fire information on Twitter @CentralORFire.

Using a Tablet to Navigate
Avenza App help is available for: Android and IOS
A Tablet or Smart Phone with the Avenza PDF Maps App and the MVUM’s downloaded onto it is a very useful and valuable tool.
More folks are using a tablet to navigate, (See picture, center). This makes navigating a breeze. With the built in GPS you will know your location at all times and the routes that are open for OHV use. You can mark and comment on special interest waypoints. With the built in camera you can also reference pictures to the waypoints you create.

Instruction: For use in mobile devices with the Avenza PDF Maps App 

If you have access to an Android or Apple mobile device you can take the COHVOPS OHV Trail Maps and the Deschutes Motor Vehicle Use Maps with you using the Avenza PDF maps App.

Here’s how:

- Install and open the Avenza PDF Maps app. Tap on the Plus Sign (+), bottom right. Tap on “Download or import a map”.
- Tap on QR Code Reader (upper right), and scan the QR code for the map/maps that you want.
- You will be taken directly to the Avenza Map Store. It is necessary to have an internet connection to download maps.
- Tap on ‘Get This Map’. Next Page: tap on ‘Free’. It will take a short time to process the file to make it usable in the app.
- If you are located on the map you will need to tap on the GPS button to find your location. Make sure you have turned on ‘Location’ on your phone or device.
- Note: If you are using a device with cell service. Put it in ‘Airplane Mode’ or turn off ‘Mobile Networks’ while you are in the field using the Avenza Map App. This will improve your GPS reception and lengthen battery life time.

These maps are a valuable resource for those of you that would like to go out and explore the National Forests. The maps will show you all of the roads that are open for travel by Class I, II, III, and Class IV licensed and unlicensed vehicles. Maps are available at your local Forest Service Office. If you are in the Bend, OR area stop by the office at 63095 NE Deschutes Market Road and talk to the folks at the front desk to receive your set of maps for the Deschutes and Ochoco National Forests. They are free. The folks at the front desk will be happy to explain the details of the maps to you.

All seasons can provide a variety of enjoyable and fun experiences in your National Forests. Be sure you have all of the necessary items you will need should you decide to spend a long day exploring. It is always wise to plan ahead for emergencies. Carry a cell phone, a GPS if you have one, extra food and water, and let someone know when you expect to be back. Have Fun!
