September 21st 2022
FIRE RESTRICTIONS

The following restrictions are in effect beginning **July 28, 2022** on the Deschutes National Forest, Ochoco National Forest, Crooked River National Grassland and Prineville BLM. *Excluding the Deschutes NF Wildernesses.*

PROHIBITED

- Campfires, Wood Stoves, Pellet Burning & Charcoal Briquette Fires
- In NON-designated campgrounds

- No Smoking, except within an enclosed vehicle or building, developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material.
- Reminder: Traveling Off Developed Forest Roads and Trails is **NOT** allowed, except for the purpose of going to and from a campsite located within 300 feet of the open developed road. All motorized travel on roads closed by gates, barricades, berms, rocks or logs is prohibited.
- Reminder: Using explosive target material, such as Tannerite, explosives, and fireworks continue to be prohibited on all federal lands.

PERMITTED

- Fires in rings at **Designated Campgrounds Page 3**
- Liquefied & bottled gas stoves, heaters & portable propane fire pits with an on/off switch.
- **Specific BLM river corridors do NOT allow propane fire pits.**

**Use of Chainsaws or other Internal Combustion Engines (other than a motor vehicle) are dependent upon the CURRENT IFPL level. Call the # below for current level.**

As of July 28, 2022

Where To Ride Your Side by Side

Motor Vehicle Use Maps
Motor Vehicle Use Maps will provide you with thousands of miles of Forest Service roads that are open to all motorized vehicles. See Page 5 Maps are available free at Forest Service offices throughout the nation for the areas they serve.

A tablet is a great Navigation tool.

Forest Alerts
Deschutes N.F. Alerts
Ochoco N.F. Alerts
Willamette N.F. Alerts

Future access to Forest Roads depends on you. Please Drive Responsibly

Using a Tablet to Navigate
A Tablet or Smart Phone with the Avenza PDF Maps App and the MVUM’s downloaded onto it is a very useful and valuable tool.

More folks are using a tablet to navigate, (See picture, center). This makes navigating a breeze. With the built in GPS you will know your location at all times and the routes that are open for OHV use. You can mark and comment on special interest waypoints. With the built in camera you can also reference pictures to the waypoints you create.

Avenza help is available for: Android and IOS

Instruction: For use in mobile devices with the Avenza PDF Maps App

If you have access to an Android or Apple mobile device you can take the COHVOPS OHV Trail Maps and the Deschutes Motor Vehicle Use Maps with you using the Avenza PDF maps App.

Here’s how:

• Install and open the Avenza PDF Maps app. Tap on the Plus Sign (+), bottom right. Tap on “Download or import a map”.
• Tap on QR Code Reader (upper right), and scan the QR code for the map/maps that you want.
• You will be taken directly to the Avenza Map Store. It is necessary to have an internet connection to download maps.
• Tap on ‘Get This Map’. Next Page: tap on ‘Free’. It will take a short time to process the file to make it useable in the app.
• If you are located on the map you will need to tap on the GPS button to find your location. Make sure you have turned on ‘Location’ on your phone or device.
• Note: If you are using a device with cell service. Put it in ‘Airplane Mode’ or turn off ‘Mobile Networks’ while you are in the field using the Avenza Map App. This will improve your GPS reception and lengthen battery life time.

Trail Maps

Click on Trail Name to Download PDF Map
Scan QR code to download the map into the Avenza App on your device
US Forest Service Pacific Northwest Region

351 Forest Service Maps for the NW Region, Oregon and Washington, are available in the Avenza App Store. The page below is what you should see when you click on the link. You may need to open the link using Google Chrome. This is the quickest, easiest way to find all of the maps you are looking for.

Click on this [LINK](#) and see all of the maps that are available for the Pacific Northwest.

What you are going to find?
- Ranger District maps.
- Motor Vehicle Use maps.
- Firewood cutting area maps.
- Wilderness area maps.
- Winter recreation maps.
- Rockhounding maps.
- Off Highway Vehicle recreation maps and more.

Use the [Avenza Maps App](#) on your phone or tablet and go to new and exciting places.

Explore the Great Northwest
These maps are a valuable resource for those of you that would like to go out and explore the National Forests. The maps will show you all of the roads that are open for travel by Class I, II, III, and Class IV licensed and unlicensed vehicles. Maps are available at your local Forest Service Office. If you are in the Bend, OR area stop by the office at 63095 NE Deschutes Market Road and talk to the folks at the front desk to receive your set of maps for the Deschutes and Ochoco National Forests. They are free. The folks at the front desk will be happy to explain the details of the maps to you.

All seasons can provide a variety of enjoyable and fun experiences in your National Forests. Be sure you have all of the necessary items you will need should you decide to spend a long day exploring. It is always wise to plan ahead for emergencies. Carry a cell phone, a GPS if you have one, extra food and water, and let someone know when you expect to be back. Have Fun!
Motor Vehicle Use Maps!

Instructions

For use in mobile devices with the Avenza PDF Maps App

If you have access to an Android or Apple mobile device you can take the COHVOPS OHV Trail Maps and the Deschutes Motor Vehicle Use Maps with you using the Avenza PDF maps App. iPhone users: You may need to open “My Maps” in the Avenza App, tap on the “Plus” sign and use the QR code reader available on the App.

Here’s how:

- Install the Avenza PDF Maps app.
- The Avenza App has a QR Code Reader on the app.
- Open the QR code reader on Avenza app and scan a QR code from the COHVOPS newsletter. This will take you directly to the Avenza Map Store.
- Tap on ‘Get This Map’. Next Page: tap on ‘Free’. It will take a short time to process the file to make it useable in the app.
- If you are located on the map you will need to tap on the GPS button to find your location. Make sure you have turned on ‘Location’ on your phone or device.
