

Destination Motorized Trail Project **LISTENING SESSION**

Tuesday, Dec. 6 | 5:30 p.m.
Oregon Institute of Technology (OIT)
Mazama/Scott Conference Room,
College Union, 3201 Campus Dr.

The Fremont-Winema National Forest is launching the public input part of its Destination Motorized Trail Project to evaluate development of a system of motorized trails for use by off-highway vehicles. The Forest is interested in hearing from the public about a possible trail system, potential locations, types of experiences and partnership opportunities.
