Thursday 11/17, NR West Library (5th floor), 8 am – noon: Hardwood Guide meeting - Greg Filip

Meeting Logistics -- Important Information for Visitors!

Visitors (anyone without an access pass for the Robert Duncan Plaza building) must check in at the security station in the lobby and receive a visitor's pass. Federal employees with a HSPD-12 card (= Linc Pass for USDA employees) just need to show that card and sign in to receive a visitor's pass from the guards. All other visitors must (1) show ID and sign in, (2) be "wanded" with a hand-held metal detector and have their bags searched, (3) receive a visitor's pass from the guards, and (4) be escorted to the meeting room by an employee who works in the building. On both days, we will have "escorts" (!) waiting in the lobby for visitors ~30 minutes before the meeting starts. If you arrive earlier or later, or don't see a waiting escort, please call **Cathy Selby (503-808-2692)**, **Shurell Davis (503-808-2291)**, **Christine Pyle (503-808-2999)**, or call/text **Kathy Sheehan (360-907-5698)**. But-wait-there's-more: visitors are not allowed to use the phones at the guard station, so be sure to bring a cell phone to use when you arrive or call ahead (from your motel or office, for example).
