Selling or conducting any kind of work activity or service without a special use permit is prohibited (including guided activities, dog walking services, commercial filming) [36 CFR 261.10 (c)] Selling: \$225, Conducting Business: \$525

DON'T POACH THE POWDER

•Winter is a stressful time for wildlife. Deep snow, cold temperatures, and scarce food make energy conservation the key to survival. Human disturbance forces wildlife to burn energy.

•We have many options for places to recreate, but wildlife rely on the windswept hillsides to survive.

•You can help wildlife survive the winter. Respect wildlife winter range closures. Control your dog. Watch wildlife from a distance.
