### **The Beaver District:**

The Beaver R.D. has 14 permanent employees and employs up to 25 seasonals during the summer months. The district office additionally hosts a unique interagency fire organization consisting of an Assistant Fire Management Officer, Engine Module, Tushar Mountain Wildland Fire Module, Fuels Program Manager and Fuels crew.

The 300,000 acre district hosts a diverse program of work, with not only fire, but a Range program with several livestock allotments, a 3 MMBF timber program, 2500-4200 acre fuels target, 10 developed recreation sites, 600+ miles of trails (OHV, horse and hiking), complex special uses, a wildlife program that encompasses big game (elk, mule deer, mountain lion, bear, bobcats, coyote and mountain goats), small game (turkey, rabbits, chukars and grouse), as well as the unique birds of prey (peregrine falcons, northern goshawks, bald and golden eagles) and smaller species of birds. Hard rock mining on a small scale continues, with literally thousands of mineral claims scattered across the district.

### **The Community**

Settled in 1856 by Mormon Pioneers, Beaver City is today home to an estimated 2,511 residents and roughly 500 more outside the city boundaries. Situated 200 miles south of Salt Lake City along Interstate 15, Beaver is the County Seat and the largest city in the county. Beaver is also the birthplace of two very famous individuals of the past, Philo T. Farnsworth, the inventor of television and Butch Cassidy, the notorious western outlaw. Some of the most beautiful scenery in the West can be found near this tranquil agricultural community and outdoor wonderland. The high alpine vistas of the Tushar Mountains, includes Delano Peak (seventh highest peak in Utah at 12,169 ft.), are to the East. Color Country, encompassing Bryce, Zion and the other National Parks lies just a few miles to the South. To the West, are the Mineral Mountains, a favorite of rock-hounders, and the Minersville Reservoir State Recreation Area.

### **Climate and Weather**

Beaver lies at 6000 feet elevation, and the climate is moderate. Snowfall does occur in winter, but rarely more than 12 inches. Average annual precipitation for Beaver is about eleven inches per year. The average low temperature in summer is 50 degrees F and 16 degrees F in winter. The average high temperature in summer is 90 degrees F and 43 degrees F in winter. Snowfall in the mountains can exceed 300 to 400 inches over the course of the winter.

### **Housing**

Average housing rent is about \$450. Homes range from \$70,000 to \$300,000. Building lots range from \$30,000 to \$75,000. There are several builders located within the county. Government housing may be available on a limited basis.

### **Shopping**

Beaver shopping facilities includes a variety of businesses and merchants to meet most needs, including a grocery store, lumber, hardware, bank, automotive repair, motels and restaurants.

The neighboring community of Richfield, 65 miles Northeast, and Cedar City, 50 miles south, offers additional shopping including grocery, furniture and clothing stores, a Super Wal-Mart, Kmart, Sears, and Home Depot. Other facilities include a variety of restaurants/cafes, plenty of motels, gas stations, banks, and credit unions.

### **Education**

The elementary school, middle school, and a high school are located in Beaver. The Utah State University Extension outreach is located in Beaver and it offers a variety of academic classes. Richfield, 65 miles northeast, is home to the southern campus of Snow College and offers a variety of academic and technology classes. Southern Utah University is located in Cedar City, 50 miles South of Beaver.

### **Health Care**

Community care is provided by the Beaver Valley Hospital. This modern fifty-seven "Swing-Bed" health care facility has two surgical suites, two new "birthing" units, and an emergency room with three bays and an enclosed treatment room for outpatient surgical procedures. The hospital's ancillary departments are equipped with state-of-the-art instruments. Within our radiology department, we have a CAT scan machine for analyzing the internal structures of various parts of the body, an MRI (Magnetic resonance imaging) unit, and an ultrasound machine, a very useful diagnostic tool often used in Obstetrics. In addition, the 54,000 sq. ft. facility also houses a medical clinic that supports up to six health care providers.

### **Churches and Religious organizations**

Denominations include the Church of Jesus Christ of Latter Day Saints, First Baptist, Jehovah's Witness, and Baha'i Faith.
