

Amendment 15
Nantahala and Pisgah National Forests
Land and Resource Management Plan

This is a project-specific, non-significant amendment to the Land and Resource Management Plan for the Nantahala and Pisgah National Forests.

Forest Plan standards state, “*Allow no roadside camping*” in the Cradle (Forest Plan Amendment 5, page III-137). Amendment #15 changes the plan language to read: “*Allow roadside camping in the Cradle of Forestry in America in designated areas only – all other roadside camping in the Cradle will not be allowed.*”
