

## INSTRUCTIONS FOR SELECTING SALMON RIVER RESERVATION SITES

Groups launching June 15<sup>th</sup>- September 7<sup>th</sup>

### **Reserved camps will be allocated 6 days before your launch date**

- Choose camps based on camp capacity and your group size.
- Submit your campsite requests by 9:00 am six days prior to your launch date, i.e. if your launch date is July 8<sup>th</sup>, submit by 9:00 am July 2<sup>nd</sup>. Requests can be submitted to [corncreeksalmonriver@gmail.com](mailto:corncreeksalmonriver@gmail.com)
- At 9:00 am six days prior to your launch date, Corn Creek staff will allocate camps according to availability, group size and camp capacities. In the case that two or more groups of similar size request the same camp, Corn Creek Staff will determine allocations by a coin flip.
- Corn Creek staff will modify permits on rec.gov to show camp allocations.
- Camp requests can be submitted up to 14 days prior to your launch date, however early camp requests will be allocated along with the other groups on your launch date, as indicated above.
- You will not be able to change your reserved camps after they have been allocated.

## RESERVATION PROGRAM RULES

- A party that reserves a camp shall stay at that camp on the date reserved.
- No party shall occupy a reservable site, which they have **not** reserved, until after 7:00 p.m., if site is still vacant.
- Layovers are prohibited at reserved campsites.
- Reserved campsites must be occupied by 7:00 p.m. Then vacated by 12:00 (NOON) MST.
- Groups shall not be allocated a reservable campsite or stay in a campsite when the group size exceeds the campsite capacity as defined on the “Reservable Campsite and Capacity List”.
- **Groups on 7 - 8 day trips may not be allocated 30 capacity camps**
- Groups with less than 21 people can be allocated 30 capacity reserve camps, if they are still available after the 900am camp assignments.
- A total of not more than 5 reservable campsites can be reserved by a group.
- **Reserved Campsites:** Permit holders may advance a single boat beyond ¼ mile of the main float party to access a campsite that has been “reserved” by that party. Permit holders that do not have a reserved site must abide by the group integrity rule.
