Select Duty Station of:  
[Springfield, Colorado](#)  
AND / OR  
[Elkhart, Kansas](#)

**QUESTIONS:** Contact Tom “Ike” Eikenberry; FMO [teikenberry@fs.fed.us](mailto:teikenberry@fs.fed.us)  
OR  
719/523-1703

**Duties:** Operates an Engine used to pump and distribute water necessary to control and extinguish wildland fires. Assists with fire dispatch through operation of radios, telephones, and other necessary equipment to exchange information for fire weather and other forest suppression activities. Drives the fire engine to wildland fire locations and positions it accordingly.

Serves on crews performing duties in fire prevention and suppression. Performs prescribed burning and fuels-reduction duties in order to reduce hazardous fuel loads, noxious weeds and disease, while protecting wildlife, heritage, and range resources. Supports other functional areas on the District. Other duties as assigned.

Must be able to pass the Work Capacity Test at the ARDUOUS level. Click here for more info: [\(Work Capacity Test\)](#)

We seek hard-working and motivated employees and are an equal opportunity employer.

Application Deadline in AVUE is February 9, 2012.
