

Six Rivers National Forest Pacific Southwest Region Recreational Fee Program 2007 Accomplishment Report

Six Rivers National Forest FY 2007 Recreation Fee Program Expenditures

Your Fees at Work in 2007

Repair, Maintenance & Facility Enhancement

- Completed hazard tree and limb removal in campgrounds.
- Cleaned, pumped, and maintained vault toilets.
- Funded garbage removal and dump fees.
- Rebuilt seventeen campsites at Big Flat Campground included resurfacing campsites and replacing tables and fire-rings.
- Installed speed bumps in East Fork campground.
- Reinstalled existing rock parking barriers to enhance visitor safety and lengthen parking spurs in Boise Creek campground.
- Completed construction of two accessible campsites at Oak Bottom and Dillon Creek campgrounds. Installed replacement water line in Fish Lake campground.
- Painted tables in Peach Creek and Oak Bottom campgrounds.

Fee Program Success Story: Nordheimer Group Campground Sign Replacement

Before: Old Nordheimer Group site sign

After: Installing the new entrance/
directional sign

An improved entrance and directional sign was purchased and installed in the Nordheimer Campground and Group Site, a popular recreation site adjacent to the California Salmon Wild and Scenic River managed by the Six Rivers National Forest. The new sign welcomes and orients campers and kayakers to the four group sites and will be easier to maintain.
