Fee Program Success Story: Keeping the Klamath River Clean

Employees use ropes to assist in removing trash from steep river banks along the Klamath River

The Klamath NF hired a Student Conservation Association intern to assist permanent river patrol ranger in river management activities along the Klamath River. These river rangers provided enhanced visitor services along the Klamath River, including; campground operation and maintenance, trash removal along the steep river banks, noxious weed removal at river access points, and visitor education regarding river safety, noxious weed control and leave no trace principles.

Cost of Collection

- Funded salaries for employees who conducted fee collections and compliance.

Accomplishments Planned for FY 2009

- Continue to reduce deferred maintenance by improving or replacing old facilities with new, accessible ones.
- Continue to fund recreation special uses field administration and enhance improvements at trailheads and river access points.

Recreation Fee Revenue Sources
