Welcome to the Claiborne Multiple-Use Trail! We hope you will enjoy your visit to the Kisatchie National Forest. Off-Road Vehicle (ORV) use is one of the many recreation opportunities offered on the Claiborne District. We have established approximately 70 miles of designated ORV trail available for an enjoyable experience for all ORV users on the Evangeline Unit.

Fifteen miles south of Alexandria, lies over 70 miles of Claiborne Multiple-Use Trail. This trail loops through pine upland forest and the abandoned WWII military installation known as Camp Claiborne. The trail consists of three separate loops that vary in distance, and difficulty level.

- North Loop: 32 miles
- Woodworth Loop: 20 miles
- Boy Scout Loop (single track): 30 miles

Along with ORV use, the Claiborne Multiple-Use Trail is enjoyed by hikers, mountain bikes, and horseback riders. The trail loops are marked with orange markings, and the primary trailhead/staging area is the Lorcan Camp Area. From Alexandria, take US Hwy. 165 South through Woodworth for 14 miles to LA 112. Turn right on LA 112, and go approximately 3 miles to FS 258. Turn right on LA FS 258 and proceed 1.5 miles to the Lorcan Recreation Area. Additional staging areas are the Ahtus Melder Camp (horses only) and Boy Scout Camp. See the map for more details.
