Tally Sheets are due no later than the 15th of each month, for the prior month's use (i.e. July use, received by Aug. 15). Accurate and timely use reports will help the Districts respond to your requests and concerns.

Call your permit administrator with any questions as to how you should report something out of the ordinary. **Please print legibly and complete each block.** Your permit administrator cannot presume to complete a blank block. Electronic submission is preferred, but not required. Contact your permit administrator for an electronic version of the tally sheet form.

Remember, you will be recording information based on the service provided, not necessarily what the client is doing.
