

## Bitterroot National Forest Seasonal Job Openings 2012

Listed on this page are temporary employment opportunities for the 2012 field season. **It is recommended that you apply as soon as possible to be considered for any of these positions, as hiring will take place in January, February and March.** These positions are in a nation-wide Open Continuous vacancy announcement with no closing date. Those that wish to be considered for these positions must have their applications in by the Closing Date listed. All applicants who have applied to the announcement on or before the listed date and are found to be qualified and in the quality group will be referred for consideration.

To apply for these temporary jobs you will need to apply through Avue Digital Services <https://www.avuedigitalservices.com/usfs/applicant.html>  
Click on the vacancy announcement number provided in the table below to go directly to the announcement in Avue. Or highlight and copy the job announcement number to be pasted into the search field on Avue.

These positions are located at various offices and stations throughout the Forest. The most important thing you need to do in order to be hired for any of these jobs is to select our Avue locations (i.e. Stevensville, MT, Hamilton, MT, Darby, MT or Sula, MT). You are only allowed to select **nine (9)** locations in Avue. To be considered for Bitterroot National Forest locations they must be among the nine locations you have selected. **Questions regarding a specific position or office/station location should be directed to the contact name listed in the table.**
