## Description

Cadotte Lake Campground is a small, rustic campground. Each of the 2 loops include hand pumps for drinking water (accessible hydrant in loop 1), vault toilets, picnic tables and fire grates. Four campsites are barrier-free. Showers and electrical hookups are not available.

This campground is being operated under a special use permit by Recreation Resources Management (RRM). If you have questions or concerns you may either contact the host in site #4 at 218-410-9099 or call the Laurentian Ranger District.

Bait and firewood are available locally. The fee camping season runs from May to Mid-September, the campground does remain open at reduced service and no fee into November depending on weather conditions. Northern pike, panfish and walleye are the predominant fish in this lake.
