

Wayne National Forest Leith Run Campground Host

Number of positions available: 1

Dates of position: April 6 – October 29, 2012

Overview:

The Wayne National Forest, Athens District, is seeking a campground host (couple or individual) for Leith Run Campground, located on the Ohio River just north of Newport, OH. Camp hosts receive a full hookup camp site (electric, water, and sewer), but must provide their own trailer or RV. Each host will be responsible for helping to maintain the campground, clean and maintain the toilets, welcome the visitors, and provide them with information about the area.

Campground Hosts represent and are the “eyes and ears” of the Forest Service. Hosts are to be courteous, helpful, enthusiastic, and are expected to positively convey the recreation facility rules as necessary and be visible. Hosts are provided a short orientation to the recreation facilities, necessary materials and information. The Host is expected to set a good example by role modeling a clean and uncluttered living site.

Basic Requirements:

- Enjoy working positively with the public and being visible.
- Provide own self-contained living unit (two RV host positions only).
- Agree to a criminal background check.
- In good health and physical condition (repeated bending and lifting to clean restrooms and fire rings, pick up litter, and sweep pathways).

Duties include:

- Picking up litter in and around campsites and recreational area.
- Cleaning campsites, picnic sites, fire rings, and restrooms to a required standard.
- Mowing campsites as campers vacate.
- Providing information to visitors as needed.
- Other necessary duties as assigned.

If interested in this volunteer position, please submit a volunteer application and brief resume to the attention of Dawn McCarthy at the address below. If you have questions, call (740)753-0527 or email dmccarthy02@fs.fed.us. **Deadline to apply is March 16, 2012.**
