

U.S. FOREST SERVICE
SIERRA NATIONAL FOREST
SUPERVISOR'S OFFICE
CLOVIS, CALIFORNIA

*** OUTREACH NOTICE ***

Respond to this Outreach Notice and you will receive information when the vacancy announcement becomes available.

The Supervisor's Office is actively recruiting for a diverse applicant pool to fill **six (6) temporary positions:**

Forestry Technician / Airtanker Base
Three (3) GS-0462 – 04
And
Three (3) GS-0462 – 05
\$27,990-\$31,315
Fresno Air Attack Base, Sierra National Forest

Job Duties: These positions are established on a Forest Service unit to function as an Airtanker Base Technicians. These positions support the National Airtanker Program in activities for aerial delivered retardant missions for wildland fire suppression action at the Fresno Air Attack Base. These positions are responsible for the safe movement of aircraft, vehicles, and personnel within the ramp area, and also perform maintenance at the retardant plant, air operations building, and airbase grounds.
