Prescribed Burning Planned on Thunder Basin Northeast of Bill

(Laramie, WY. - March 12, 2012) – The Forest Service is planning to conduct prescribed burning on the Thunder Basin National Grassland, approximately 10 miles northeast of Bill, WY. Beginning as early as March 14, up to 3,000 acres of grassland vegetation may be burned to improve wildlife habitat and manage fuels. Burning operations may occur over the course of two or three days. For more information, contact Clay Westbrook or Shay Rogge at the Douglas Ranger District (307-358-4690).
