

We'd like to hear from You!

Chugach Powder guides has a permit to operate heli-skiing in Seattle Crk and west of Johnson Pass (Lynx Crk). The Forest Service would like to know how CPG's operations may have affected your recreation experience in these areas during the 2012 season.

Please contact us and let us know the following:

- **how you were (or were not) affected**
- **location**
- **date and time**
- **how many people were in your group**
- **what activity you were doing at the time (snowmachining, skiing, etc.)**

Comments are requested by 5/31/12.
