

GET TO KNOW

your wild neighbors!

“Caring for the environment begins with getting to know your neighbors of other species”

Griffith Observatory Viewing Deck

2800 East Observatory Road, Los Angeles 90027

9:00am - 12:00pm

Councilmember Tom LaBonge (4th District) and the City of Los Angeles Department of Recreation and Parks (RAP) are hosting a GET TO KNOW Your Wild Neighbors Event to invite children and their families to get outdoors, connect with their wild neighbors and celebrate nature. The event is part of the national launch of the 2012 Get To Know Contest that invites youth, ages 19 and under, to submit original works of art, writing, photography, music and video. The L.A. event will feature free educational and artistic activities that will help create awareness and understanding of our outdoor environment and wildlife. Councilmember LaBonge and RAP Rangers will be leading a hike to Mount Hollywood at 9:30am.

For more information contact RAP Partnership Division at 818.243.6488 or visit www.get-to-know.org
