**Campgrounds:**

Campgrounds are concessionaire operated by the Utah Recreation Company. For additional information about campgrounds please call 385-273-1100.

**Reservations:**

Reservations can be made up to six months in advance for single sites, 12 months in advance for group sites. Please visit [www.recreation.gov](http://www.recreation.gov) for more information.

**Logan Cave:**

The cave is gated closed. The cave was closed to the public on October 1, 1997 to ensure the viability of a rare and special biological community of Townsend's Big-Eared Bats that is located in Logan Cave. The bats are particularly vulnerable to human disturbance during their periods of mating, hibernation, and maternity colony, which runs from about October to August each year. The Big-Eared Bat is listed as a sensitive species by both the Forest Service and Utah Division of Wildlife Resources. To aid with protecting this species during their vulnerable period, it is prohibited to go into or within 250 feet of the mouth of the Logan Cave.

**Firewood Permits:**

The Logan Ranger District will be offering firewood cutting permits this year. These permits will be available mid-June. Please call the office at 435-755-3620 for more information.

**Dispersed Camping:**

Visitors may camp for up to 14 days in any 30-day consecutive period in areas designated for dispersed camping. Please see the Logan Ranger District Motor Vehicle Use Map for these designations.

**Stokes Nature Center:**

Located in Logan Canyon, east of Logan on Highway 89. For more information visit their web page at [www.logannature.org](http://www.logannature.org), contact them via phone at 435-755-2129 or email [nature@logannature.org](mailto:nature@logannature.org).

**Cache Valley Visitors Bureau:**

Located inside the Historic Cache County Courthouse on the corner of 200 North and Main in Logan. For more information visit their web page at [www.explorelogan.com](http://www.explorelogan.com) or contact them via phone at 435-755-1890.

**Certified Weed Free Hay:**

To prevent the spread of noxious weeds into vulnerable ecosystems on National Forest System lands, hay, straw, and mulch must be certified weed free.
