Access: Travel 11 miles northwest of Fort Collins on U.S. Highway 287 to Colorado Highway 14. Turn left on CO 14, travel 26 miles, and turn left on County Road 63E, Pingree Park Road. Little Beaver Creek Trail can be accessed from two locations. Either follow Pingree Park Road 7 miles to Jacks Gulch Campground (the trailhead is at the northwest corner of the campground), or travel 8.5 miles to a roadside trailhead for the Fish Creek Trail (#993) which connects to the Little Beaver Creek Trail.

Trail Information: At Jacks Gulch campground travel west through the campground on Old Flowers Road for less than a mile to where Little Beaver Creek Connector Trail leads southward for a mile before crossing the creek. Hiking westward along the creek will lead to Beaver Park and a junction with Flowers Trail.

Beaver Park can also be accessed by continuing west on Old Flowers Road about 6 miles from Jacks Gulch Campground. A loop can be hiked by traveling to Beaver Park from Jacks Gulch on either the Flowers Trail or Little Beaver Trail and returning by the other. From the junction at Beaver Park, the Little Beaver Creek Trail continues sharply uphill for little more than a mile to intersect Upper Dadd Gulch Trail (#938).

Access to the Little Beaver Creek Trail from the shared trailhead on Pingree Park Road is via the Fish Creek Trail about 2 miles west of the trailhead. The ½-mile connector drops down to meet Little Beaver Creek a few hundred yards west of the stream crossing on the trail coming south from Jacks Gulch.
