

PSIC *Camps*

2012 is starting out with heavy reservations, folks are planning ahead. Rocky Mountain Recreation and Canyon Enterprises continue as our concessionaires.

BE FiRe SmArt!

Cimarron: The Cimarron Recreation Area and trails in the river corridor are open, but the campground remains closed. Hope to open CG later this spring.

Recreation.gov continues as the one-stop-shop for all reservations, or call

1-877-444-6777

Cabins and campsites can be reserved 6 months in advance, group sites 1 year ahead.

Recreation.gov is being updated so watch for any corrections or edits that need to be made.

Comanche: All recreation facilities on the Comanche are open.

Leadville: Turquoise Lake is snow free, Halfmoon is still melting. All campgrounds are on schedule for May openings,

Salida: O'Haver Lake CG remains closed and work starts up again on May 1. Remaining CGs opening as scheduled.

San Carlos: Lake Creek CG is open, Lake Isabel is still closed due to snow. Alvarado opening is delayed until June 29 due to many downed and hazard trees. Other facilities will open as scheduled.

Pikes Peak: Manitou Lake and Rampart Reservoir are open for day use. Other facilities opening as scheduled.

South Park: Facilities opening as scheduled.

South Platte: Lone Rock Campground is open. All others are opening as scheduled.
