

Recreation

Pass Sites

Forest Recreation Passes

The following recreation passes are valid for all designated day use sites on the Deschutes National Forest and at sites in the Newberry National Volcanic Monument.

The following two passes can be purchased from **Forest Service Stations*** or the **outlets** listed below-

- ◆ **National Forest Recreation Day Passes** are \$5.00 per day.
- ◆ **Annual Recreation Passes** are \$30.00 and are good for one year from the date of purchase.

Benefits

Ninety-five percent of the revenue from these passes stays in the local area for facility maintenance, interpretive services and ecosystem protection. These passes are your opportunity to care for our public land and pass on your natural legacy.

Deschutes National Forest will participate in two **no-fee days** in 2012 to encourage visitation to our National Forests:

- June 9th National Get Outdoors Day
- Sept. 29th National Public Lands Day

**Please note: Recreation Passes on the Deschutes National Forest are required from May 1st-September 30th. During the remainder of the year, passes are not required at designated sites because of reduced services due to low use and questionable access due to weather.

Where to purchase your day or annual pass...

Passes are available from Forest Service offices and vendors throughout Washington and Oregon, including locally:
