

*Recreation fees are an investment in outdoor recreation. Current and future generations will benefit as 95% of the funds are reinvested in the facilities and services that visitors enjoy, use and value.*

### Accomplishments Provided with Recreation Fees on the National Forests in Texas:

#### Angelina-Sabine National Forests:

- Completed operation and maintenance tasks at all recreation areas.
- Funded litter pickup and completed regular maintenance and cleaning at Sandy Creek, Boykin Springs, Boles Field and Red Hill recreation areas.

#### Davy Crockett and Sam Houston National Forest:

- Funded trash service at recreation areas.
- Partnered with The Woods Project and completed maintenance work on the Sam Houston National Forest.
- Completed water system and lift station repairs on the Sam Houston National Forest.

### Special Feature

Known for its meandering springs and picturesque longleaf pine stands, the Boykin Springs Recreation Area on the Angelina National Forest offers opportunities to swim, hike, camp, picnic, or simply discover the forest. The Boykin Springs Historic Shelter is a central feature of the recreation area. Built in 1938 by the Civilian Conservation Corps, fee funds were used to rehabilitate this shelter and other similar facilities across the forest to ensure their continued availability to the public.
