

3.3.12. Appendix M: Other Useful Information and Websites

Fire Prevention, Community Education and Integrated Fire Planning

The Prevention plans developed by ODF SW for their and Medford BLM jurisdiction are included as **Chapter B** in the ODF SW Mobilization Plan.

Industrial Fire Precaution Levels (IFPL) descriptions:

A web site titled “**Wildland Fire Safety Training Annual Refresher (WFSTAR)**” is available to assist in this training. It can be reached through the National Interagency Fire Center’s homepage “Safety” link at www.nifc.gov. Training schedules are posted and maintained at each geographic level on the internet.
