This cost share agreement between the Department of Agriculture, United States Forest Service and the State of California, Department of Forestry and Fire Protection (CALFIRE) was prepared under the following guidelines:

1. In accordance with the California Master Cooperative Wildland Fire Management and Stafford Act Response Agreement (CFMA) between the USDA, Forest Service, USDI, Bureau of Land Management, USDI, National Park Service, USDI, Fish and Wildlife Service, USDI, Bureau of Indian Affairs, and the California Department of Forestry and Fire Protection (CAL FIRE).
2. All costs originating from orders placed by and for the incident that can be reasonably obtained and estimated for the cost share period will be included in this agreement and will be shared on the basis of the ICs/ARs' mutual agreement.
3. Costs for non-expendable property purchases by each agency will be charged direct to that agency and will not be shared.
4. Costs incurred by cooperators not engaged in joint fire suppression activities will not be included as a part of this cost share agreement.

COST SHARE AGREEMENT for the Hill Fire Incident.

5. Agency specific costs will not be shared.
6. Responsibility for tort claim costs or compensation for injury costs will not be a part of this agreement. Responsibility for these costs will be determined outside of this agreement.
7. Non-suppression rehabilitation costs are the responsibility of the jurisdictional agency and will not be shared.
8. Shared costs will be based on the Incident Commanders/Agency Representatives mutual judgment and agreement as to threat, incident objectives, and resources assigned for each agency's area of responsibility.
9. Sharing of final actual costs between the agencies will be based on mutual agreement between the ICs/ARs.
10. In recognition of their responsibility to protect the County of San Bernardino, the San Bernardino County Fire Department will incur the costs of the individual engine resources and the strike teams of engines (any type) identified in ROSS that were ordered for structure protection. These resources are identified in Exhibit A. San Bernardino County Fire Department agrees not to bill the United States Forest Service or the State of California, Department of Forestry and Fire Protection for these resources or any associated costs.
11. The costs attributable to the resources identified in Exhibit B that responded under CA-BDF-012829 will be the financial responsibility of the State of California, Department of Forestry and Fire Protection. The State of California, Department of Forestry and Fire Protection agrees not to bill the United States Forest Service for these resources or any associated costs.
12. The costs attributable to the resources identified in Exhibit C that responded under CA-BDF-012829 will be the financial responsibility of the United States Forest Service. The Department of Agriculture, United States Forest Service agrees not to bill the State of California, Department of Forestry and Fire Protection for these resources or any associated costs.
13. All overhead support positions ("O" request numbers) for the State of California, Department of Forestry and Fire Protection, San Bernardino County Fire Department, and the Federal Government, regardless of where they worked, that responded under CA-BDF-012829, will be the financial responsibility of the employing agency. For the additional resources not employed by these respective agencies, the Forest Service will be financially responsible. See Exhibit C for a list of these reimbursable overhead positions.

COST SHARE AGREEMENT for the Hill Fire Incident.

14. Aircraft and retardant costs will be shared on an actual use basis as determined by the Incident Commanders/Agency Representatives. Therefore, all aircraft utilized on September 2, except CAL FIRE resource A-22 (helicopter 305) and A-29 (H-554) will be the financial responsibility of the United States Forest Service. All aircraft utilized on September 3 will be the financial responsibility of the State of California, Department of Forestry and Fire Protection. See Exhibit D for a breakdown of the costs and ownership of aircraft. The amount of \$16,808.50, as shown below, will be deducted by CAL FIRE from their final invoice to the United States Forest Service.

CAL FIRE Tanker Resource Costs on September 2	Forest Service Aircraft Costs on September 3	Balance Due CAL FIRE For Air Resource Costs
\$153,062.65	\$16,808.50	\$136,254.15

15. The Mobile Kitchen Unit 35 (MKU) (E-26) and its associated costs (i.e., MKU support package [E-28], dining hall tent [E-33], kitchen crew (E-26.2), food deliveries, etc.), will be the financial responsibility of the State of California, Department of Forestry and Fire Protection.
16. All other support costs not identified elsewhere in this agreement will be the financial responsibility of the United States Forest Service.
17. Additional fire suppression repair is required after September 5, 2011, on Federal and State DPA. Cost for this suppression repair will be the financial responsibility of the respective agencies. No costs for this suppression repair by the respective agencies will be billed to the other agency.
18. The following agencies will be responsible for collecting actual cost/expenditure data.
