**OCCUPANCY** – The following act is prohibited within the Minidoka Ranger District:

Camping in any area including a developed recreation site or an undeveloped site for more than 14 (fourteen) days in one (1) location. A camper or group of persons camping together may not relocate within the ranger district where he/she or they have just previously camped with a twenty-eight (28) day period beginning with the first day of the camping period. Pursuant to 36 CFR 262.58(a)

**\*Note:** Potable water will be available at developed sites that meet water quality requirements and have sources that are producing water. Call the Minidoka Ranger District Office for current conditions and drinking water availability at (208) 678-0430.
