CAMPING AT LAUREL RIVER LAKE

All campgrounds at Laurel River Lake are operated by concessionaires under a special use permit with the U.S. Forest Service. Fees and seasons vary. Campgrounds are open April through October. Check with the district office for specific dates.

Drive-In Campgrounds
Holly Bay Campground and Grove Campground have electricity, drinking water, flush toilets and shower facilities.

Boat-in Campgrounds
Two boat-in campgrounds, Grove and White Oak, are accessible by boat or foot travel. Drinking water, vault toilets and trash bins are provided onsite.

Group Campgrounds
The Craig Creek Group Use Campground is designed for groups of 12 or more people. The camp has three group sites, a picnic shelter, drinking water, flush toilets and shower facilities. A trail leads from the campground to the lake.

Lakeside Camping
Primitive campsites must be at least 300 feet from the shoreline, roads or trails.

Storing your food or trash in bear country
Avoid attracting bears by keeping a clean camp site. Never feed a bear. Once bears learn to associate food with humans, they can become aggressive for another easy meal. Feeding bears is illegal in Kentucky.

- Do not leave food or garbage inside fire rings, grills or around your site.
- Never leave food or coolers unattended, even in developed picnic areas.
- If bear-proof containers are not available, store food inside a hard-top vehicle or trailer.
- Wipe tabletops clean before vacating a camp or picnic site.
- Never store food inside your tent.
- If a bear is observed nearby, pack up your food and trash immediately and leave the area.
