## **Website Provides Information on 135th Commemorative Events Along the Nez Perce National Historic Trail**

**OROFINO, ID** – 2012 marks the 135th year since the 1877 war and flight. The staff of the Nez Perce National Historic Trail in conjunction with a number of partners is hosting a [website](#) to provide information about events happening during the next several months to commemorate the events of 1877 and encourage people to learn more about the culture of the Nez Perce people and the significant historic events associated with the National Historic Trail.

We would encourage visitors to take time to learn more and reflect upon the historic events of 1877 and what they mean for all people today.

A variety of presentations are being planned at locations along the entire 1,170 mile National Historic Trail. You can participate in a guided hike at Big Hole Battlefield, participate in pow wows, hear speakers give first person presentations of participants in the events of 1877, tour sites, and learn about traditional art and culture.

We hope people will find time to participate in some of the events. We plan to add additional events to the calendar in the coming weeks so please check back throughout the rest of this year to learn about new events.

This summer NPNHT staff will also be tweeting historic 1877 events, and other NPNHT updates. If you would like to get frequent updates about the NPNHT “follow us” on Twitter: <https://twitter.com/#!/npnht>.
