

# Wild Wednesdays Rock at Coleman Lake!

**Programs begin at 10:00 a.m. and are Free! All programs offer an activity, snack and craft.**

**June 6th:** Hisssss and Slither. Come learn about snakes and take a fake snake hike.

**June 13th:** Smokey Says. Forest Service firefighters will join Smokey in teaching kids about fire prevention and suppression efforts.

**June 20th:** Where the Wild Things Are. Come see live animals of Alabama brought to you by the Anniston Museum.

**June 27th:** The Forest is For the Birds. Look up and learn about the unique birds in the national forest.

**July 11th:** What Good is a Tree? Did you know trees provide many products you use everyday?

**July 18th:** Nature Observation through Building Fairy Houses. Take a up-close look at the world around us from the perspective of the little folk.

**July 25th:** Teddy Bear Hike. Learn about forest creatures and where they live.

Wild Wednesdays are free environmental education programs held every Wednesday in June and July (except July 4th) at Coleman Lake Recreation Area. Kids learn about nature with a program, activity, craft and a snack. These programs are hosted by the U.S. Forest Service, JSU Field School, and the Friends of the Talladega National Forest.
