Scotts Branch	Washington	82	10-Jul	Mop Up & Patrol	Mop up and Patrol	
<b>NO NEW FIRES REPORTED ON JULY 9</b>					<p>The cooler temperatures and higher humidity Jul 8 &amp; 9 helped firefighters make progress on the fires. We continue to improve fire line, manage hot spots in the interior, mop up and patrol. Even with the rains, fuels are still dry for this time of year. We are retaining resources to facilitate initial attack and help our local firefighters get some much needed rest.</p>	
Marsh Creek	Madison	0.5	8-Jul	Line Complete	Lightning	
Zach's Branch	Douglas	2	8-Jul	Mop Up & Patrol		

<b>Cisco</b>	Oregon	1	8-Jul	Mop Up & Patrol
