## SPECIFICATIONS

### *DAKOTA PRAIRIE NATIONAL GRASSLANDS BUTTERFLY INVENTORY SURVEY STATEMENT OF WORK*

The contractor will summarize past butterfly surveys within the project area and summarize butterfly management guidelines in fall 2012. In summer 2013, the contractor will survey the project area during optimal flight periods. Target species for both the fall literature review and summer field work are: Arogos skipper (*Atrytone arogos iowa*), Dakota skipper (*Hesperia dacotae*), Poweshiek skipperling (*Oarisma poweshiek*), and regal fritillary (*Speyeria idalia*).

The project area is defined as those National Forest System lands south of ND Highway 27 within the Sheyenne Ranger District, Ransom and Richland Counties, North Dakota. This includes the Hankinson Unit (see project map).

A summary of past surveys and management guidelines is due by December 1, 2012. Summer field work is to occur between June 15, 2013 and July 31, 2013. Field work must be timed and distributed to maximize chances of encountering target species. A literature review, a draft report, and a final report will be written as requested in Report Requirements.

#### **LOCATIONS**

The project area encompasses approximately 35,000 acres of National Forest System lands.

#### **GOVERNMENT-FURNISHED PROPERTY AND SERVICES**

The Government will supply a paper copy of the Visitors Map and a set of USGS topographic maps. The Government will authorize a permit for off-road vehicle use. The contractor shall provide the necessary personnel, equipment (including vehicles), materials, services, and facilities to perform the Statement of Work.

#### **CONTRACTOR QUALIFICATIONS**

The offeror shall submit with his/her offer a statement of his/her professional qualifications and the qualifications of any other person(s) employed to accomplish the Statement of Work. The offeror's statement should include information concerning appropriate academic degrees and training and experience in rangeland vegetation field surveys. The following criteria may be used for contractor selection.

- B.S., M.S. or Ph.D. in zoology, biology, range science, or related field experience.
- Five or more field seasons of experience in butterfly monitoring.
- Five or more field seasons experience as principle investigator on a butterfly monitoring project.

#### **EVALUATION CRITERIA**

All bidders on the contract must submit a bid package containing:

- a description of their academic qualifications and relevant field experience,
- a detailed proposal of how the bidder would accomplish the survey
- a listing of dates that the bidder would do field work,
- and the cost to complete this project.

The Government may reject any or all quotes, issue orders to other than the lowest quote, and waive minor informalities or irregularities in quotes received. If necessary, the government may conduct discussion with any or all quoters. The successful bidder will be selected based on analysis of bid package. Contractors will be

evaluated against the following criteria. The price offered is of equal importance to the evaluation factors listed below.

- 1) Past Performance: provide references and phone numbers for your last 3 jobs similar to the work called for in this solicitation.
- 2) Experience. Provide information showing the experience of your company (all types of work).
- 3) Key Personnel: Provide the names and qualifications of key individuals you will use on this project.

### **INVESTIGATIVE PURPOSE**

This survey's purpose is to describe distribution and status of target butterfly species within the project area. These data will be used to help direct livestock management, prescribed burning, and wildlife-habitat enhancement projects in future years.

### **FIELD SURVEYS**

The field season for the butterfly surveys is defined as the period from June 15 through July 31, 2013. The USDA Forest Service does not control access to private lands, and no right of access to private lands is hereby given, nor should a right to access private lands be inferred.

### **PROTOCOLS**

Methodology will be the "checklist method", as described in: Royer, Ronald A., Jane E. Austin, and Wesley E. Newton. 1998. Checklist and "Pollard Walk" butterfly survey methods on public lands. The American Midland Naturalist. 140(2). Northern Prairie Wildlife Research Center Home Page.

<http://www.npwr.usgs.gov/resource/1998/butsurv/butsurv.htm> (Version 05JAN99).

### **REPORT REQUIREMENTS**

After the field season start date, the contractor shall provide bi-weekly reports in the form of e-mail addressed to the Contracting Officer Representative and District Contact. At a minimum, these bi-weekly reports shall include a description of where, how, and when surveys were conducted and any problems encountered.

The literature review report, consisting of a compilation of past sightings of target species and their management, is due December 1, 2012. By February 1, 2014, the contractor shall submit to the Contracting Officer Representative (COR) a draft report for review. The Forest Service shall return comments on the draft report by March 1, 2014. The contractor will submit his/her final report in both hard copy and electronic format (Word Perfect, Word, or ASCII), by April 15, 2014. At a minimum, these reports shall contain:

- An introduction summarizing the purpose of this project.
- A description of the survey areas, methods, and techniques used.
- A results section giving the location (in both UTM coordinates and legal description) of each target butterfly found.
- A discussion section discussing butterfly habitat quality and management.
- Maps (USGS 7.5 degree topographic quads or acceptable alternatives) indicating areas surveyed and target species found.
- An appendix containing a copy of field notes.

The final report shall meet professional standards and shall be subject to review by the COR. If the report does not meet professional standards, the contractor may be required to edit or resubmit his/her final report.

### **METHOD OF PAYMENT**

Three equal-sized payments will be made. First payment will be made after completion of the literature review report. The second payment will be made after completion of Draft Report. Final payment will be issued after the Final Report is accepted.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR [Part 25](#). For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3)  Are,  are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products (Executive Order 13126)*. [*The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).*]

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
