Temporary Closure of Yew Creek Road in Swan Lake Area

Closed for Replacement of Damaged Culvert

BIGFORK, MONT. – On Wednesday, October 10 and Thursday October 11, 2012, National Forest System Road (NFSR) 9714 Yew Creek Road will be closed at mile post 2.5. The location of the closure is two-and-a-half miles from the Junction with NFSR 10229 Porcupine Creek Road.

The closure is to allow forest service engineers to replace a damaged culvert where Lime Creek crosses the Yew Creek Road.

The work should be completed within two days. Private property owners in the area beyond the closure will be able to access their property via the County Road heading south from Ferndale. There will be signage to alert drivers of the closure.
