

WHO MAKES THE DECISION?

Responsible Official

The responsible official is the Forest Supervisor for the Arapaho and Roosevelt National Forests and Pawnee National Grassland.

Nature of Decision To Be Made

The responsible official will decide whether or not to authorize the proposed action or other action alternative that may be developed by the Forest Service as a result of scoping.

Permits or Licenses Required

Special use authorization from the Forest Service would be required to implement the proposal or other action alternative that may be developed by the Forest Service after scoping. A non-significant Forest Plan amendment would also be necessary if the decision is to permit a communication site on Middle Bald Mountain.
