### Additional Closures

- 3512 – “Cloud Cap Road”

### Areas Open

- **4410 Road (High Prairie road)** This area has been picked over. More work is involved in harvesting the remaining wood. Other areas would be blowdown along open roads on the firewood map.
- **NOTE:** In the hatched areas on the map (LSR), you may cut within 100 feet of the road after July 15<sup>th</sup>. This also includes roads surrounding The Dalles Watershed; 1700, 1720, 4410 and 44 road even though they are greyed out.
- **Remember:** If the tree has been severed from the stump (already cut and fell) you must get a special request to cut that tree unless it is in a posted “Firewood Cutting Area”
