Re: Timber Sales Schedules

Enclosed are our Timber Sales Schedules for October 2012 thru September 2013. These schedules show the timber sales each Ranger District on the National Forests in Texas plan to offer. The schedules are separated into six month periods. The schedules for the first six months are firmer than the schedules for the second six months.

Please contact the following Ranger District offices for more information about their scheduled timber sales:

<u>National Forest</u>	<u>Ranger District</u>	<u>Office Contact</u>	<u>Phone Number</u>
Angelina/Sabine	Angelina/Sabine	Lanton Chumley	(936) 897-1068
Davy Crockett	Davy Crockett	Barton Davis	(936) 655-2299, Ext. 228
Sam Houston	Sam Houston	Bob Allen	(936) 344-6205, Ext. 6233

Our timber sales may still require specified or prehaul road work. Please remember, no credit is earned to compensate for the costs of such road work or for engineering services deposits. Instead, the appraised value will be adjusted and the advertised rate reduced to reflect these cost estimates. Please remember, bids must reflect the costs of specified or prehaul road work and engineering services deposits.

The set-aside for the East Side Market Area (Angelina/Sabine N.F.) is triggered. We have reached an agreement with the Small Business Administration (SBA) for a sale on the Sabine N.F. will be set-aside for small business. Please see the sales schedule for this planned sale. A small business set-aside sale refers to the disposal of the sawtimber, with no more than thirty percent (30%) of the advertised volume delivered to an entity not qualifying as a small business.

In addition, we will continue offering timber contracts using stewardship authority. As in previous contracts, the value of timber will be exchanged for required service projects. Best Value Contracting will remain the method of technical proposal review and award.

If you have any other questions, please give me a call @ (936) 639-8537 (office) or (936) 222-0546 (cell).

Sincerely,

BRIAN TOWNSEND  
Sales Forester/Contracting Officer
