Sale of National Forest Timber

The Forest Service intends to advertise timber designated for cutting in the following proposed timber sale area on the Plumas National Forest during the winter-spring of 2013. The Peak Fire Salvage sale contains 250 acres more or less within all or portions of sections 10, 11, 15, 16, 21, T.25N, R.12E, M.D.M. This sale contains an estimated volume of 1,400 hundred cubic feet (700 MBF) of timber designated for cutting.

This advance notice is to afford interested parties time to examine the sale area prior to winter. Interested parties may obtain information and maps about the sale area from the District Ranger, Beckwourth Ranger District, Blairsden, CA. or Forest Supervisor Office, Quincy, CA. The final advertisement will contain final minimum stumpage rates, bidding provisions, and other sale conditions.
