Introduction

The Travel Plan describes winter travel opportunities on the Teton Division of the Bridger-Teton National Forests from December 1 – April 30. For more information regarding travel opportunities on the Teton Division, contact the Jackson Ranger District Office, the Big Piney Ranger District Office, or the Supervisor’s Office. Winter travel opportunities on the Bridger Division (East and West) may be found in the Bridger-Teton National Forests Travel Plan. The Bridger-Teton National Forests Travel Plan is available in the Jackson Ranger District Office or the Supervisor’s Office.

Forests visitors are encouraged to contact local Ranger District Offices for current travel opportunities on the Bridger Divisions (East and West), maps are available at any Forest Supervisor’s Office, and travel conditions can be found on the Bridger-Teton National Forests website. Additional information is available at www.fs.fed.us/r4/btnf. Forest visitors are encouraged to contact local Ranger District Offices for current travel information.

Definitions

OVER-SNOW VEHICLE – A self-propelled vehicle intended for travel primarily on four-wheel-drives, motorcycles, snowmobiles, amphibians, and air cushion vehicles. It is capable of cross-country travel on or immediately over land, water, snow, sand, ice, marsh, swampland, or other terrain which would include, but not limited to such vehicles as snowmobiles, snow bikes, snow dayliners, and special snow vehicles.

OFF-ROAD VEHICLE (ORV) – Any motorized vehicle designed for or capable of travel in the forest using the force of its own wheels or specifically modified wheels, or a two-wheeled motorized vehicle used on trails designated for such travel. ORVs include, but are not limited to, ATVs, dune buggies, four-wheelers, and snowmobiles.
